## SC PERFORMANCE GOAL

### 2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

### 2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Northside Elementary School, in partnership with home and community, is to challenge every child to be a "Learner for Life." It is this team approach that makes Northside such an inviting, warm, safe, and nurturing place. Northside continues as a Red Carpet school for its service to children and the school community. It is a school of high expectations that wishes the very best for every child. Northside Elementary is a community of 384 students in grades kindergarten through grade five. The 09-10 school year will bring an expansion of the school and its population. There is an even split between male and female students and a variety of cultural backgrounds are represented. Our class size in grades 1-3 averages 20 and in grades 4 and 5 the average is 22. Students and staff here at Northside have the privilege of being in an expanded building that is clean and attractive both outside and inside. The media center has an open format and averages 30,000 books checked out each year. A fine arts program offers many opportunities for our students. Several pieces of student art work are displayed in the community and around our school. The music program provides many performance opportunities. Physical Education continues to teach students about fitness and general well being. Zest Quest has been an additional program to teach students and staff about wellness and nutrition. Speech, Reading Recovery, English as a Second Language, a Reading Strategies class, and a Resource class all aid in the development of children needing additional assistance. Northside Elementary offers a comprehensive guidance program with a variety of programs to enhance each child's personal well being. A gifted and talented class serves students who score at the state identified level. An emphasis is placed on technology in all classrooms. Instruction is infused with lessons utilizing Smartboards, United Streaming, and lap top computers as well as LCD projectors. The staff of Northside also does a terrific job in handling day-to-day clerical needs, keeping the school looking great, and preparing a breakfast and lunch program. Support from an active parent group as well as the School Improvement Council provides necessary input for continued growth and school improvement. A pumpkin patch and 5k/ 1 mile fun run was enjoyed by many. Community sponsorship from these events will assist in playground enhancements and promote fitness. It is this well rounded approach and quality daily instruction that has made PASS test scores of Northside students consistently higher than the state average and MAP scores above the national average. Northside also met the federal mandate in the No Child Left Behind Act of making Adequate Yearly Progress (AYP) for the sixth year in a row as well as earning its second Palmetto Silver distinction for school achievement. There is a continual analysis of MAP and PASS scores to seek ways to improve upon our daily instruction and support programs. Through the commitment of the Northside staff, it is our goal to meet each child's needs and encourage them to be Learners for Life.
